Dear Sandra

### RESPONSE TO ASX PRICE AND VOLUME QUERY

TNG Limited (ASX:TNG) (“**TNG**” or the “**Company**”) refer to your letter dated 26 October 2021 regarding ASX Price and Volume Query (“Price Query”) and respond to your questions:

1. Is TNG aware of any information concerning it that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities?

*No*

2. If the answer to question 1 is “yes”.

- (a) Is TNG relying on Listing Rule 3.1A not to announce that information under Listing Rule 3.1? Please note that the recent trading in TNG’s securities would suggest to ASX that such information may have ceased to be confidential and therefore TNG may no longer be able to rely on Listing Rule 3.1A. Accordingly, if the answer to this question is “yes”, you need to contact us immediately to discuss the situation.

*Not applicable*

- (b) Can an announcement be made immediately? Please note, if the answer to this question is “no”, you need to contact us immediately to discuss requesting a trading halt (see below).

*Not applicable*

- (c) If an announcement cannot be made immediately, why not and when is it expected that an announcement will be made?

*Not applicable*

3. If the answer to question 1 is “no”, is there any other explanation that TNG may have for the recent trading in its securities?

*TNG has recently announced a strategic decision to progress development of its Mount Peake Project as a fully-integrated mining and processing operation within its Mining Leases at the Mount Peake Mine Site (refer to ASX Announcement of 30 September 2021).*

*Following this announcement, the Company has undertaken several promotional activities, such as attendance of conferences (refer to ASX announcements of 15 and 22 October 2021) and interview (refer to ASX Announcement of 1 October 2021).*

*Other than this, TNG is not aware of any other explanation for the recent trading in its securities.*

4. Please confirm that TNG is complying with the Listing Rules and, in particular, Listing Rule 3.1.

*The Company confirms that it is in compliance with the Listing Rules and, in particular, Listing Rule 3.1.*

5. Please confirm that TNG's responses to the questions above have been authorised and approved under its published continuous disclosure policy or otherwise by its board or an officer of TNG with delegated authority from the board to respond to ASX on disclosure matters.

*The Company confirms that its responses to the questions above have been authorised and approved by its Managing Director with delegated authority from the board to respond to the ASX on disclosure matters.*

Yours sincerely
